- 2.3.6 the Trustee shall have discretion, subject to the approval of the Manager and the Auditors, to determine the basis upon which any liability shall be allocated between relevant Sub-Funds from time to time (including conditions as to the subsequent re-allocation thereof if circumstances so permit) and shall have power at any time and from time to time to vary such basis, provided that the approval of the Manager and the Auditors shall not be required in any case where a liability is allocated to the Sub-Fund or Sub-Funds to which in the opinion of the Trustee it relates or if in the opinion of the Trustee it does not relate to any particular Sub-Fund or Sub-Funds, between all the Sub-Funds pro rata to their Net Asset Values at the time the allocation is made.

2.4 Issue of Units

The Manager shall have the exclusive right to create and issue for the account of the Trust and in accordance with Central Bank Requirements new Units in any Sub-Fund (and Units of any class, whether hedged or unhedged, in any Sub-Fund) at any time prior to the termination of the Trust Period.

SECTION 4.0 - UNITS

4.1 Issue of Units

4.1.1 The Manager may, in its absolute discretion, refuse to accept any application for Units in whole or in part without assigning reasons therefor.

4.1.2 Subject as hereinafter provided, the Manager, on receipt by it or any of its authorised agents, of the following:

- (a) an Application Form duly completed to the satisfaction of the Manager or its authorised agent;
- (b) such information and declarations as to the applicant's status, residence, identity or otherwise as the Manager from time to time may require;

may issue Units at the Subscription Price therefor determined in accordance with Clause 4.3, or provided that the Application Form has been received may allot such Units pending receipt of cleared funds and/or such information and declarations referred to in sub-paragraph 4.1.2(b). The originals of Application Forms sent by fax should be sent by post to arrive within such number of Business Days after the time for receipt of such applications as the Manager may determine. Failure to provide the original Application Form by such time may, at the discretion of the Manager, result in the compulsory redemption of the Units in accordance with this Deed. Application for Units shall (save as determined by the Manager) be irrevocable.

- 4.1.3 Payment for Units shall be made in such currency (in the case of cash subscriptions), place and manner and to such person on behalf of a Sub-Fund as the Manager (with the consent of the Trustee) may from time to time determine.
- 4.1.4 If payment in cleared funds in respect of a subscription has not been received by the Relevant Time, any allotment of Units made in respect of such application may be cancelled. In the event of the non-clearance of subscription monies, any allotment in respect of an application shall be cancelled. In either event and notwithstanding cancellation of the application, the Manager may charge the applicant for any expense incurred by it or the Fund or for any loss to any Sub-Fund arising out of such non-receipt or non-clearance plus an administration fee as determined by the Manager and set forth in the relevant Prospectus, which fee is payable to the Manager. In addition, the Manager will have the right to sell all or part of the applicant's holding of Units in the relevant class or any other Sub-Fund in order to meet those charges.
- 4.1.5 The issue or allotment of the Units pursuant to this Clause shall be made on the Dealing Day following receipt of the Application Form provided that the Application Form is received by the Manager or its authorised agent in respect of an application to be made during the Initial Offer Period, (save as the Manager may otherwise determine) before the expiry of such period and, in respect of an application made after the Initial Offer Period, no later than the time for receipt thereof. If an application is received outside the time for receipt thereof, it shall (subject to the discretion of the Manager) be treated as an application for Units on the next following Dealing Day.
- 4.1.6 The Manager may (at the option of the Manager) satisfy any application for the allotment of Units by procuring the transfer to the applicant of fully-paid Units and the effective date of such transfer shall be the relevant Dealing Day. In any such case, references in this Deed to allotting Units shall, where appropriate, be taken as references to procuring the transfer of Units.
- 4.1.7 For the purposes of this Deed:
- (a) Units of a Sub-Fund which have been allotted but not issued on a Dealing Day shall be deemed to be in issue on receipt of payment therefor and Units of a Sub-Fund whose allotment has been cancelled and the relevant application monies have not been returned to the applicant on or prior to a Dealing Day shall be deemed to cease to be in issue at the close of business on the day of such cancellation; and
 - (b) Units which have been repurchased on a Dealing Day in accordance with this Deed shall be deemed to have ceased to be in issue at the close of business on the Dealing Day on which they are repurchased.
- 4.1.8 Where an amount received for Units applied for is not an exact multiple of their Subscription Price:
- (a) where the amount is equal to or greater than 0.001 of the Subscription Price for a Unit, a fraction of a Unit shall be allotted to the applicant who shall be registered as the holder of such a fraction; and
 - (b) where the amount received is less than 0.001 of the Subscription Price for a Unit, such amount will not be returned to the applicant but will be retained by the Manager in order to defray administration costs.

The rights, entitlement and benefits of the holder of a Unit under this Deed are granted to a holder of a fraction of a Unit in proportion to the fraction of the Unit held by him and, except where the context otherwise requires or is otherwise provided herein, reference in this Deed to "Unit" shall include a fraction of a Unit.

Notwithstanding anything contained in this Deed the holder of a fraction of a Unit may not exercise any voting rights in respect of such fraction of a Unit.

- 4.1.9 The Initial Offer Period in respect of any Sub-Fund may be shortened or extended at the discretion of the Manager. Any shortening or extension of an Initial Offer Period will be notified immediately to the Central Bank and (if the Units of the Sub-Fund are listed on the Irish Stock Exchange) The Irish Stock Exchange.

4.2 Rights attaching to Units

- 4.2.1 Units may only be issued fully paid and shall have no par value.
- 4.2.2 The value of the Units shall at all times be equal to their Net Asset Value.
- 4.2.3 The rights and restrictions attaching to Units shall be as follows:
- (a) all Units in the Fund shall carry equal voting rights, except that in matters affecting only a particular Sub-Fund, or, as the case may be, a class within a Sub-Fund only holders of Units of that Sub-Fund or, as the case may be, a class within a Sub-Fund shall be entitled to vote;
 - (b) the holder of each Unit shall be entitled to such interest distribution as the Manager may from time to time determine;
 - (c) every Unitholder who is present in person or by proxy at any meeting of Unitholders of the Fund, any Sub-Fund or, any class within a Sub-Fund shall have one vote for every Unit of which he is a Unitholder; and
 - (d) in the event of a termination of the Fund the holder of a Unit shall have the rights referred to in Clause 19.3.

Where any Sub-Fund has more than one Unit class allocated to it, the Units of each class of such Sub-Fund will rank *pari passu* with each other in all respects except as to currency of denomination of the class, dividend policy, the level of fees and expenses to be charged, minimum subscription and minimum holding amounts applicable or any other feature as may be determined by the Manager and approved by the Central Bank.

4.3 Unit Prices

- 4.3.1 The Initial Offer Price(s) per Unit in each Sub-Fund at which Units shall be allotted and issued during the Initial Offer Period for each Sub-Fund shall be determined by the Manager.
- 4.3.2 The Subscription Price per Unit of any class subsequent to the Initial Offer Period shall be ascertained by:-
- (a) determining the Net Asset Value of the relevant class calculated in respect of the Valuation Point on the relevant Dealing Day on which the subscription is to be made;
 - (b) dividing the amount calculated under (a) above by the number of Units of such class of the relevant Sub-Fund in issue at the relevant Valuation Point; and
 - (c) at the Directors' discretion, making an adjustment to the resultant amount to reflect the fact that the actual cost of purchasing or selling assets of a Sub-Fund may deviate from the value assigned to such assets (in accordance with the valuation principles used and set out in

Clause 5.2 to 5.4 inclusive) when calculating the Sub-Fund's Net Asset Value due to Duties and Charges and spreads from buying and selling prices of the assets ("Spreads") which have an adverse effect on the value of a Sub-Fund known as "dilution". To mitigate the effects of dilution, the Directors may, at their discretion, make a dilution adjustment to the resultant amount at (b) above by adding thereto, when such Fund is in a Net Subscription Position, and deducting therefrom, when such Fund is in a Net Redemption Position, such figure as the Directors consider represents an appropriate amount for Duties and Charges and Spreads. Where such an adjustment is made, it will increase the Net Asset Value per Unit where the Sub-Fund is in a Net Subscription Position and decrease the Net Asset Value per Unit where the Sub-Fund is in a Net Redemption Position. (The circumstances in which this discretion may be exercised will be set out in the Prospectus);

- 4.3.3 Units may be issued to Unitholders at their Net Asset Value (exclusive of any preliminary charge which may, in addition be applied) on a relevant Dealing Day in circumstances where requests have been received for redemption of the same number of Units in the same Sub-Fund on that Dealing Day.
- 4.3.4 Subject to the provisions of the Regulations, and to Central Bank Requirements, the Manager may issue Units on terms providing for settlement to be made by the vesting in the Trustee on behalf of the relevant Sub-Fund of Investments and in connection therewith the following provisions shall apply:-
- (a) in the case of a person who is not an existing Unitholder, no Units shall be issued until the person concerned shall have completed and delivered to the Manager an Application Form as required under the Prospectus and satisfied all the requirements of the Manager as to the application;
 - (b) the nature of the Investments transferred into the Sub-Fund, as determined by the Manager, are such as would qualify as Investments of such Sub-Fund in accordance with the investment objectives, policies and restrictions of such Sub-Fund;
 - (c) no Units shall be issued until the Investments shall have been vested in the Trustee or any Sub-Custodian to the Trustee's satisfaction and the Trustee shall be satisfied that the terms of such settlement will not be such as are likely to result in any prejudice to the existing Unitholders of the Sub-Fund; and
 - (d) the Manager is satisfied that the terms of any exchange would not be such as would be likely to result in any prejudice to remaining Unitholders and provided that any such exchange shall be effected upon the terms (including provision for paying any expenses of exchange and any preliminary charge as would have been payable for Units issued for cash) that the number of Units issued shall not exceed the number which would have been issued for cash against payment of a sum equal to the value of the Investments concerned calculated in accordance with the procedures for the valuation of the assets of the relevant Sub-Fund. Such sum may be increased by such amount as the Manager may consider represents an appropriate provision for Duties and Charges which would have been incurred by the Fund in the acquisition of the Investments by purchase for cash or decreased by such amount as the Manager may consider represents any Duties or Charges to be paid to the Fund as a result of the acceptance of the exchange.

4.4 Minimum Subscription

The Manager may decline to issue Units to satisfy any application unless:

- 4.4.1 the amount in value of the Units to which an application relates equals or exceeds:
- (a) the Minimum Subscription in relation to a Sub-Fund; or
 - (b) the Subscription in each of the relevant Sub-Funds as the Manager may from time to time determine where application is made for Units of two or more Sub-Funds.

provided that the aggregate amount in value of the Units to which an application relates shall not be less than the Minimum Holding; or

- 4.4.2 the applicant is already the holder of Units and the amount in value of the Units to which the application relates equals or exceeds the Minimum Subsequent Subscription or such other amount as the Manager may determine.

4.5 Preliminary Charge

The Manager may, in its absolute discretion, require any person to whom any class of Units are to be allotted to pay to the Manager or any duly authorised agent of the Manager, a preliminary charge at a rate to be determined by the Manager by reference to the aggregate amount subscribed but not exceeding in respect of each Unit to be allotted an amount equal to 7.5% of the Subscription Price for such Unit rounded up to the nearest two decimal places of the relevant Base Currency. The Manager may, on any Dealing Day(s), differentiate between applicants as to the amount of the preliminary charge required to be paid or as to the amount of the preliminary charge to be levied on each class of Unit (subject to the maximum aforesaid). The Manager may also rebate all or any portion of the preliminary charge to any investor who invests certain minimum amounts in any Sub-Fund, by way of issue of further Units of such Sub-Fund to such investor.

4.6 Suspension of Issue

No Units of any Sub-Fund shall be allotted or issued during any period when the determination of the Net Asset Value of Units of that Sub-Fund is suspended pursuant to Clause 7.1.

4.7 Restrictions on Unitholders/Qualified Persons

- 4.7.1 The Manager shall have power (but shall not be under any duty) to impose such restrictions (other than a restriction on transfer to a Qualified Holder) as it may deem necessary for the purpose of ensuring that no Units are acquired or held directly or beneficially by:

- (a) any person who is not a Qualified Holder; or
- (b) any person or persons in circumstances, (whether directly or indirectly affecting such person or persons and whether taken alone or in conjunction with any other person or persons connected or not, or any other circumstances appearing to the Manager to be relevant) which, in the opinion of the Manager, might result in the Trust incurring any liability to taxation or suffering pecuniary disadvantages which the Trust might not otherwise have incurred or suffered or the Trust being required to register under 1940 Act or similar statute successor thereto or to register any class of its securities under 1933 Act or similar statute successor thereto.

- 4.7.2 No person other than a Qualified Holder shall be or remain registered as a holder of Units and the Manager may upon an application for Units or (subject as herein provided) on a transfer of Units or at any other time and from time to time require such evidence to be furnished to it in this connection as it shall in its discretion

deem sufficient and in default of such evidence being furnished to the satisfaction of the Manager the Manager may require the redemption or transfer of such Units.

- 4.7.3 A holder of Units who shall cease to be a Qualified Holder shall promptly either give to the Manager a redemption notice in respect of such Units or shall promptly transfer such Units to a Qualified Holder.
- 4.7.4 If the Manager shall in its absolute discretion consider that any holder of Units is not a Qualified Holder (or at any time while registered as a holder of such shares has not been a Qualified Holder) or is a person to whom sub-paragraph 4.7.1(b) applies, the Manager may require the redemption or transfer of the Units held by such person in accordance with Clause 6.1 hereof.

SECTION 5.0 - DETERMINATION OF NET ASSET VALUE

5.1 Net Asset Value of Units

- 5.1.1 The Net Asset Value of a Sub-Fund shall be expressed in the Base Currency and shall be determined, subject to Clause 7.1 of this Deed, by the Manager or its delegate in accordance with the valuation rules set out hereafter in Section 5.0 - , as at each Valuation Point and shall be the value of all of the assets comprised in the relevant Sub-Fund less all the liabilities attributable to such Sub-Fund as at the relevant Valuation Point and subject to any regulations made by the Central Bank pursuant to the Regulations.

Liabilities/expenses will only be allocated to a class when they are specifically attributable to that class.
- 5.1.4 The Net Asset Value of a class of Units within a Sub-Fund shall be expressed in the currency in which the class is designated (translated where necessary at such reasonable rate of exchange as the Manager deems fit).
- 5.1.5 The Net Asset Value of a Unit within a class shall be determined by dividing the Net Asset Value of the relevant class by the number of Units in that class in issue and deemed to be in issue.

 - (i) if an Investment is quoted, listed or normally dealt in on more than one Regulated Market, the Manager may, at its discretion (with the approval of the Trustee), select any one of such markets for the foregoing purposes (provided that the Manager has determined that such market constitutes the main market for such Investment or provides the fairest criteria for valuing such securities) and once selected, a market shall be used for future calculations of the Net Asset Value with respect to that Investment unless the Manager otherwise determines; and
 - (ii) in the case of any Investment which is quoted, listed or normally dealt in on a Regulated Market but in respect of which for any reason, prices on that market may not be available at any relevant time, or in the opinion of the Manager, may not be representative, the value therefor shall be the probable realisation value thereof estimated with care and in good faith by a competent person, firm or association making a market in such Investment (approved for the purpose by the Trustee) and/or any other competent person, in the opinion of the Manager (and approved for the purpose by the Trustee);

- (k) any necessary translation fees;
- (l) any costs incurred as a result of periodic updates of the Prospectus, any Supplements, or of a change in law or the introduction of any new law (including any costs incurred as a result of compliance with any applicable code, whether or not having the force of law);
- (m) any other fees and expenses relating to the management and administration of the Fund or attributable to the Investments of the Sub-Funds; and
- (n) in respect of each accounting period of the Fund in which expenses are being determined, such proportion (if any) of the establishment expenses as are being amortised in that year.

In determining the amount of such liabilities the Manager may calculate administrative and other expenses of a regular or recurring nature on an estimated figure for yearly or other periods in advance and accrue the same in equal proportions over any such period.

- 5.3.2 For the purposes of this Clause 5.3 monies payable by the Sub-Fund on the repurchase or redemption by the Sub-Fund of Units pursuant to repurchase or redemption requests or monies payable by the Sub-Fund as a result of the cancellation of allotments shall be deemed to be a liability of the Sub-Fund from the time at which such Units are deemed to cease to be in issue.

5.4 General Provisions on Valuation

- 5.4.1 Any assets held, including funds on deposit and amounts payable to a Sub-Fund and any liabilities and amounts payable by a Sub-Fund in a currency other than the Base Currency shall be translated into the Base Currency at such reasonable rate of exchange as the Manager may deem fit.
- 5.4.2 Where the current price of an Investment is quoted “ex” any dividend (including any stock dividend), interest or other rights to which the Sub-Fund is entitled but such dividend, interest or the property to which such rights relate has not been received and is not taken into account under any other provisions of this Clause, the amount of such dividend, interest, property or cash shall be taken into account.
- 5.4.3 Any certificate as to Net Asset Value of Units given in good faith (and in the absence of negligence or manifest error) by or on behalf of the Manager shall be binding on all parties.

SECTION 6.0 - REDEMPTION

6.1 Redemption

- 6.1.1 Subject as hereinafter provided, on receipt by the Manager of a request in writing and in such form as the Manager may from time to time determine by a holder of Units of any class (the “Redemption Form” and the “Applicant” respectively) which request shall, save as provided in this Clause, be irrevocable, the Manager shall redeem all or any portion of the Units (as set forth in the Redemption Form) held by the Applicant at the Redemption Price (as hereinafter set forth) for each such Unit listed in the Redemption Form, determined in accordance with the provisions

of this Deed, or procure the purchase thereof at not less than the Redemption Price PROVIDED THAT:

- (a) the repurchase of Units of any Sub-Fund pursuant to this Clause shall be made on a Dealing Day provided further that the Redemption Form is received by the Manager or its authorised agents within the time set by the Manager in the Prospectus for processing redemption requests on such Dealing Day and if received after such time, the Redemption Form shall (subject to the discretion of the Manager) be treated as a request for redemption on the next following Dealing Day;
- (b) in the event that the determination of the Net Asset Value per Unit has been suspended in accordance with Clause 7.1, the right of the Applicant to have his Units redeemed pursuant to this Clause shall be similarly suspended and during the period of suspension he may withdraw his request for redemption and his certificate (if applicable). Any withdrawal of a request for redemption under the provisions of this Clause shall be made in writing and shall only be effective if actually received by the Manager or its duly authorised agent before termination of the period of suspension. If the request is not so withdrawn the redemption of the Units shall be made on the Dealing Day next following the end of the suspension or on such earlier day following the end of the suspension as the Manager, at the request of the Applicant, may agree.

6.1.2 Redemption Forms may be sent in writing or by facsimile at the risk of the relevant Unitholder. In the case of a holder of Units which is a corporation, a list of authorised signatories together with evidence of their authority must be provided by the corporation to the Manager if the signatories at redemption differ from the list of signatories most recently submitted by the holder. Requests for redemption will not be processed pending receipt by the Manager of the original Application Form for the Units. If Units are held in certificated form the Unitholder must send the original certificate to the Manager. The Manager may, at its option, dispense with the production of any certificate which shall have become defaced, lost, stolen or destroyed.

6.1.3 Upon the redemption of a Unit being effected pursuant to this Clause, the Applicant shall cease to be entitled to any rights in respect thereof (excepting always the right to receive a distribution (if any) which has been determined in respect thereof prior to such repurchase or redemption being effected) and accordingly his name shall be removed from the Register with respect thereto, the relevant Units shall be treated as cancelled.

6.1.4 Where the Manager receives in respect of any Dealing Day requests for redemptions which in the aggregate amount to more than 10% of the Net Asset Value of any Sub-Fund, the Manager, in its sole discretion, may reduce each such request for redemption of Units pro rata so that all such requests cover no more than 10% of the Net Asset Value of the particular Sub-Fund or such other higher percentage of that Sub-Fund's Net Asset Value as may be determined by the Directors in their sole discretion provided that the remaining Unitholders of the relevant Sub-Fund are not, in the opinion of the Directors, materially prejudiced thereby. Any part of a redemption request to which effect is not given by reason of the exercise of this power by the Manager shall be treated as if a request had been made and received in respect of the unsatisfied part of the original request the next Dealing Day and each succeeding Dealing Day (in relation to which the Manager shall have the same power) until the original request has been satisfied in full.

- (a) If it shall come to the notice of the Manager that any Units are owned directly or beneficially by any person in breach of the restrictions imposed by Clause 4.7 above, the Manager may give notice to such

person requiring him to transfer such Units to a person who is qualified or entitled to own such Units or to give a request in writing for the repurchase of such Units in accordance with paragraph 6.1.1 above. If any person upon whom such a notice is served pursuant to this subparagraph does not within thirty days after such notice:

- (i) transfer his units to a person qualified to own such Units;
- (ii) request the Manager to repurchase his Units; or
- (iii) establish to the satisfaction of the Manager (whose judgement shall be final and binding and conclusive) that he is not subject to such restrictions;

he shall be deemed upon the expiration of such thirty days to have given a request in writing for the repurchase of all his Units pursuant to subparagraph (a) above and shall be bound forthwith to deliver his certificate or certificates to the Manager, and the Manager shall be entitled, on notice to the Trustee, to effect a repurchase of all of his Units and shall pay such Unitholder redemption proceeds in accordance with paragraph 6.2.5 below as may be required for the purpose of the repurchase of the said Units.

- (b) A person who becomes aware that he is holding or owning Units in breach of any such restrictions as aforesaid shall forthwith unless he has already received a notice pursuant to subparagraph (a)(i) above either transfer all his Units to a person qualified to own such Units or give a request in writing for the repurchase of all his Units pursuant to subparagraph (a) above.
- (c) Payment of any amount due to such person pursuant to subparagraph (a) or (b) above will be deposited by the Trustee in a bank for payment to such person against surrender of the certificate(s) (if any) representing the Units previously held by such person. Upon deposit of such amount as aforesaid such person shall have no further interest in such Units or any of them or any claim against the Fund in respect of such Units except the right to receive such amounts so deposited (without interest).

6.1.5 Where, in any case involving a redemption of less than the entire of an Applicant's holding of Units, any amount representing the redemption monies for such Units is not an exact multiple of their Redemption Price:-

- (a) where the amount is equal to or greater than 0.001 of the Redemption Price of a Unit, a fraction of a Unit shall be allotted to the Applicant who shall be registered as the holder of such a fraction;
- (b) where the amount received is less than 0.001 of the Redemption Price of a Unit, such amount will not be returned to the Applicant but will be payable to the Manager in order to defray administration costs.

6.2 The Redemption Price

6.2.1 The Redemption Price per Unit of any class of a Sub-Fund shall be ascertained by:

- (a) determining the Net Asset Value of the Units of the relevant class calculated in respect of the Valuation Point on the relevant Dealing Day on which the redemption is to be made;

- (b) dividing the amount calculated under (a) above by the number of Units of the relevant class then in issue at the relevant Valuation Point; and
 - (c) at the Directors' discretion, making an adjustment to the resultant amount to reflect the fact that the actual cost of purchasing or selling assets of a Fund may deviate from the value assigned to such assets (in accordance with the valuation principles used and set out in Clause 5.2 to 5.4 inclusive) when calculating the Sub-Fund's Net Asset Value due to Duties and Charges and spreads from buying and selling prices of the assets ("Spreads") which have an adverse effect on the value of a Sub-Fund known as "dilution". To mitigate the effects of dilution, the Directors may, at their discretion, make a dilution adjustment to the resultant amount at (b) above by adding thereto, when such Sub-Fund is in a Net Subscription Position, and deducting therefrom, when such Sub-Fund is in a Net Redemption Position, such figure as the Directors consider represents an appropriate amount for Duties and Charges and Spreads. Where such an adjustment is made, it will increase the Net Asset Value per Unit where the Sub-Fund is in a Net Subscription Position and decrease the Net Asset Value per Unit where the Sub-Fund is in a Net Redemption Position. (The circumstances in which this discretion may be exercised will be set out in the Prospectus);
- 6.2.2 Units may be redeemed at their Net Asset Value (exclusive of any redemption fee which may be applied) on a relevant Dealing Day in circumstances where applications have been received for subscriptions of the same number of Units in the same Sub-Fund on that Dealing Day.
- 6.2.3 Any certificate as to the Redemption Price given in good faith by or on behalf of the Manager shall be binding on all parties.
- 6.2.4 The Manager may, in its absolute discretion, charge a redemption fee at a rate not exceeding, in respect of each Unit redeemed, an amount equal to 2% of the Redemption Price for such Unit rounded up to the nearest two decimal places of the currency in which such Unit is designated. The Manager may, on any Dealing Day, differentiate between Unitholders as to the amount of the redemption fee (subject to the maximum aforesaid). The maximum percentage redemption fee as set out in this paragraph shall only be increased with the approval of Unitholders given on the basis of a simple majority of votes cast at a general meeting or with the prior written approval of all Unitholders. In the event that an increase to the maximum percentage redemption fee as set out in this paragraph is approved by Unitholders, the Manager shall provide Unitholders with reasonable notification in advance of such increase taking effect.
- 6.2.5 Payment of redemption proceeds shall normally be made in the Base Currency of the class of the Sub-Fund whose Units are being redeemed and be paid not later than ten Business Days after the receipt of the redemption request. Redemption proceeds will be paid in the manner set forth in the relevant Prospectus to the bank account indicated on the Unitholder's most recent form for application for Units or other written instructions to the Manager or its authorised agents. If no such instructions have been given redemption proceeds will be sent by post to the Unitholders address as set forth in the Register and, in the case of joint holders, the joint holder whose name stands first in the Register.
- 6.2.6 If Units are held in certificated form, a certificate for the remaining Units will be sent by post to the Unitholder (at his own risk). In the case of a partial redemption of a Unitholder's holding, the Manager will advise the holder of the remaining Units held by him.

6.3 Redemption in Specie

The Manager at its discretion may redeem Units of a Sub-Fund by way of exchange for Investments provided that:

- 6.3.1 a redemption form is completed and delivered to the Manager as required by the Prospectus and the redemption request otherwise satisfies all the requirements of the Manager as to such request.
- 6.3.2 the Manager is satisfied that the terms of any exchange would not be such as would be likely to result in any prejudice to the remaining Unitholders;
- 6.3.3 the value thereof shall not exceed the amount which otherwise would have been payable on a cash redemption;
- 6.3.4 the transfer of Investments is approved by the Trustee; and
- 6.3.5 such value may be reduced by such amount as the Manager may consider represents any Duties and Charges to be paid to the Sub-Fund as a result of the direct transfer by the Sub-Fund of the Investments or increased by such amount as the Manager may consider represents any appropriate provision for Duties and Charges which would have been incurred by the Sub-Fund in the disposition of the Investments to be transferred. The shortfall (if any) between the value of the Investments transferred on a redemption in specie and the redemption proceeds which would have been payable on a cash redemption shall be satisfied in cash. Any decline in the value of the Investments to be transferred in settlement of a redemption, between the Dealing Day and the day on which the Investments are delivered to the Unitholder, shall be borne by the Unitholder.

If the discretion conferred by Clause 6.3 is exercised, the Manager shall notify the Trustee and shall supply to the Trustee particulars of the Investments to be transferred and the amount of cash to be paid to the Unitholder. All stamp duties and registration fees in respect of such transfers shall be payable by the Unitholder.

At the request and expense of the Unitholder, the Manager shall arrange for the sale of any Investments to which a Unitholder becomes entitled on "*in specie*" redemption. Following redemption, the Investments used to satisfy the "*in specie*" redemption will not be part of the Fund nor covered by this Deed.

SECTION 7.0 - SUSPENSION/DELAY OF REDEMPTION, VALUATION AND DEALINGS

7.1 Temporary Suspensions/Delays

- 7.1.1 The Manager may declare a temporary suspension of the determination of the Net Asset Value of any Sub-Fund and of the issue and repurchase of Units:
 - (a) when any of the principal markets or stock exchanges on which any significant portion of the Investments of the relevant Sub-Fund from time to time are quoted, listed, traded or dealt in is closed (otherwise than for customary weekend or ordinary holidays) or during which dealings therein are restricted or suspended or trading on any relevant futures exchange or market is restricted or suspended;
 - (b) when, as a result of political, economic, military or monetary events or any other circumstances outside the control, responsibility and power of the Manager, any disposal or valuation of Investments of the relevant Sub-Fund is not, in the opinion of the Manager, reasonably practicable without this being seriously detrimental to the interests of owners of Units in general or the owners of Units of the relevant Sub-Fund or if, in the opinion of the Manager, the Redemption Price cannot fairly be calculated

or such disposal would be materially prejudicial to the owners of Units in general or the owners of Units of the relevant Sub-Fund;

- (c) during any period when any breakdown occurs in the means of communication normally employed in determining the value of any of the Investments of the Sub-Fund or when for any other reason the value of any of the Investments or other assets of the relevant Sub-Fund cannot reasonably or fairly be ascertained;
- (d) during any period when the Sub-Fund is unable to repatriate funds required for the purpose of making redemption payments or when such payments cannot, in the opinion of the Manager, be effected at normal prices or normal rates of exchange or during which any transfer of funds involved in the realisation or acquisition of Investments or when payments due on redemption cannot, in the opinion of the Manager, be effected at normal prices or normal rates of exchange; or
- (e) where necessary in the opinion of the Manager.

7.1.2 Any such suspension shall take effect at such time as the Manager shall declare but not later than the close of business on the Business Day next following the declaration and, thereafter, there shall be no determination of Net Asset Value or issue of Units in any Sub-Fund effected or redemption of Units in any Sub-Fund effected until the Manager shall declare the suspension at an end except that the suspension shall terminate in any event on the first Business Day on which:-

- (a) the condition giving rise to the suspension shall have ceased to exist; and
- (b) no other condition under which suspension is authorised under subparagraph (a) of this Clause shall exist.

7.2 Notification of Suspensions

Any such suspension of the determination of the Net Asset Value of Units and the issue and redemption of Units shall be:

- 7.2.1 notified immediately by the Manager to the Central Bank and (if the Units affected are listed on The Irish Stock Exchange) The Irish Stock Exchange (and in any event during the Business Day on which the suspension took place) and to the competent authorities in the Member States of the European Union in which the Units are marketed and in any other country in which the Units are marketed); and
- 7.2.2 published in such publication(s) as the Manager may determine.

SECTION 8.0 - SUB-FUND CONVERSIONS / SWITCHING

8.1 Switching

8.1.1 Subject to Section 6.0 - and Clause 7.1 above and as hereinafter provided Unitholders of a Class within a Sub-Fund (the "Original Sub-Fund") may switch to certain Classes within other Sub-Funds (the "Target Sub-Fund"). If a partial switch results in the Unitholder holding a number of Units in the Original Sub-Fund with a value of less than the Minimum Holding, the Manager may, at its discretion, switch the whole of the applicant's holding of Units from the Original Sub-Fund to the Target Sub-Fund or refuse to effect any switch. No switches will be made during any period in which the rights of Unitholders to require redemption of their Units are suspended. The general provisions on procedures for redemption (which are described in the relevant Sub-Fund Details) will apply equally to switches.

- 8.1.2 The redemption proceeds from the Original Sub-Fund will be applied towards the subscription of Units in the Target Sub-Fund.
- 8.1.3 The number of Units to be issued in the Target Sub-Fund will be calculated in accordance with the following formula:

$$A = \frac{B \times C \times D}{E}$$

B	=	number of Units of the Original Sub- Fund converted
C	=	Redemption Price per Unit on the relevant Dealing Day for the Original Sub-Fund
D	=	the currency conversion factor determined by the Administrator as representing the effective rate of exchange of settlement on the relevant Dealing Day applicable to the transfer of assets between the relevant Sub-Funds (where the base currencies of the relevant Sub-Funds are different) or where the base currencies of the relevant Sub-Funds are the same D = 1
E	=	Subscription Price per Unit on the relevant Dealing day for the Target Sub-Fund.

Any foreign exchange gain or loss arising from the switching shall be borne by the switching Unitholder.

- 8.1.4 Details of when requests for switching must be submitted shall be further outlined in the Prospectus.

SECTION 9.0 - REGISTRATION OF UNITHOLDERS

9.1 Register of Unitholders

The receipt of any Unitholder of any monies payable in respect of the Units held by him as recorded in the Register shall be a good discharge to the Trustee.
- 9.3.2 If the Register is kept with the assistance of magnetic storage media the up-to-date output from such magnetic storage media and the magnetic storage media itself shall together constitute the Register.

15.12 Liability of the Trustee and Limitations thereon

15.12.1 The Trustee's Responsibility

Any provision of this Deed or of any agreement which if enforced would operate to exclude or limit the liability of the Trustee referred to in paragraph 15.12.1 shall be void and shall not affect the legality, effectiveness, validity or enforceability of this Deed or, where applicable, of the other provisions of this Deed.

15.12.5 The Unitholders may invoke the liability of the Trustee directly or indirectly through the Manager provided that to do so does not lead to a duplication of redress or to unequal treatment of the Unitholders.

15.12.6 Indemnity

Subject and without prejudice to paragraph 15.12.1, the Trustee shall not be liable to the Manager, any Sub-Fund or any Unitholder or otherwise for any loss whatsoever and howsoever incurred by the Manager, the Sub-Fund(s) or any such Unitholder as a result of the performance or non-performance by the Trustee of its obligations and duties hereunder. 15.12.7 Proper Instructions

Any instructions or other communications given to the Trustee by the Manager or any of its delegates which shall contain all necessary information required by the Trustee to carry out the instructions and are received by the Trustee in writing or

15.12.9 Liability for Taxes

Subject and without prejudice to paragraph 15.12.1, in no event shall the Trustee be personally liable for any taxes or other government charges imposed upon or in respect of the Fund's or any Sub-Fund's assets or upon the income or gains thereon.  - (i) the third party has structures and the expertise that are adequate and proportionate to the nature and complexity of the assets of the Trust or of the Manger (acting on behalf of the Trust or the relevant Sub-Fund(s)) entrusted to it;
 - (ii) for custody tasks referred to in sub-paragraph (a) of Regulation 34(4) of the Regulations, the third party delegate is subject to effective prudential regulation, including minimum capital requirements, and supervision in the jurisdiction in which it holds in custody the relevant Financial Instruments and the third party is subject to an external periodic audit to ensure that the Financial Instruments are in its possession;
 - (iii) the third party keeps such records and accounts and takes such other measures as are necessary to enable the Trustee at any time and without delay to distinguish assets of the Trustee's UCITS clients from the third party's own assets, from assets of the third party's other clients, from assets held by the third party for the Trustee's own account and from assets held by the third party for clients of the Trustee that are not UCITS such that assets of the Trustee's UCITS clients held by the third party are segregated in accordance with the Regulations and the Commission Delegated Regulation and can, at any time, be clearly identified as belonging to UCITS clients of the Trustee. For the avoidance of doubt, a third party to whom the safekeeping of assets is delegated is able to maintain a common segregated account for multiple UCITS, a so-called "omnibus account";
 - (iv) the third party takes all necessary steps to ensure that in the event of its insolvency, Financial Instruments Held In Custody by the third party are unavailable for distribution among, or realisation for the benefit of, creditors of the third party;
 - (v) the third party does not make use of Fund assets entrusted to it without the prior consent of the Manager (acting on behalf of the Trust or the relevant Sub-Fund(s)) and prior notification to the Trustee and without complying with the provisions set out in

paragraph 15.8.4 of this Deed which apply mutatis mutandis to the third party and to any other third party to whom the functions referred to in Regulation 34(4) of the Regulations have been sub-delegated; and

- (vi) the third party complies with the general obligations and prohibitions set out in paragraph (2) of Regulation 33, paragraphs (4), (6) and (7) of Regulation 34 and paragraphs (1), (1A) and (1B) of Regulation 37 of the Regulations.

15.13.7 Notwithstanding sub-paragraph 15.13.6(d)(ii) above, where the law of a third country requires that certain Financial Instruments be held in custody by a local entity and no local entities satisfy the delegation requirements laid down in Regulation 34A(3)(b)(i) of the Regulations, the Trustee may delegate its functions to such a local entity only to the extent required by the law of the relevant third country and only for as long as there are no local entities that satisfy the delegation requirements referred to in Regulation 34A(3)(b)(i) of the Regulations and only where the following requirements have been met:

- (a) the Unitholders of the Trust are duly informed, prior to making their investment in the Fund, that such delegation is required due to legal constraints in the law of the third country, of the circumstances justifying the delegation and of the risks involved in such delegation; and
- (b) the Manager (acting on behalf of the Trust or the relevant Sub-Fund(s)) has instructed the Trustee to delegate the custody of such Financial Instruments to such local entity.

15.13.8 Any third party to whom the Trustee's functions referred to in Regulation 34(4) of the Regulations have been delegated either in whole or in part may further sub-delegate some or all of those functions provided that the Trustee shall ensure or shall procure that such third party ensures that any such sub-delegate complies with and is appointed in compliance with the same requirements of the Regulations as apply to the Trustee in respect of those functions and in such a case paragraphs (2) and (3) of Regulation 34(A) of the Regulations shall apply with the necessary modifications to the relevant parties.

15.13.9 The liability of the Trustee referred to in paragraph 15.12.1 shall not be affected by any delegation or sub-delegation of the functions the Trustee has undertaken in accordance with this Deed.

15.13.10 The Trustee shall notify the Manager promptly in writing on it becoming aware that the segregation of some or all of the Financial Instruments Held in Custody is not, or is no longer, sufficient to ensure that such Financial Instrument(s) are protected from the insolvency of any third party to whom the functions referred to in Regulation 34(4) of the Regulations have been delegated in a specific jurisdiction. On receipt of such notification from the Trustee, the Manager shall immediately notify the Central Bank of such information and shall consider all appropriate measures in relation to the relevant assets including their disposal, taking into account the need to act in the best interests of the Trust and the Unitholders.

15.13.11 For the purposes of this Deed and the Regulations, the provision of services as specified by Directive 98/26/EC of the European Parliament and of the Council of 19 May 1998 ("Directive 98/26/EC") on settlement finality in payment and securities settlement systems, by securities settlement systems as designated for the purposes of Directive 98/26/EC or the provision of similar services by third-country securities settlement systems (each a "**Securities Settlement System**") shall not be considered to be a delegation of custody functions, save as otherwise provided for under applicable law and regulation.

15.13.12 The Trustee may terminate a contract with a local sub-custodian, in circumstances where:

- (a) the Trustee has identified and informed the Manager of a risk that assets held with a sub-custodian are not adequately segregated or otherwise protected in a given local jurisdiction, and where there is no suitable alternative sub-custodian or adequate means to protect the assets;
